TITLE Propaganda cartoon?			
Top caption: "Voluntary Labor" in Fascist Yugoslavia — Tito's Fascist clique,			
which, like plunderers, is destroying Yugoslavia's wealth, sends almost all the production			
from its timber and mining industry to the US, England, and other capitalist countries.			
The Titoites bring together workers from all corners of the country, ^{by} under compulsion, and			
with an ^{under} escort, for work in the pits and mines and for logging timber. This unpaid,			
slave conscription the Titoists brazenly call "voluntary labor". (From the newspapers)
